

Cookies Notice

Cookies are small text files which are placed on your computer or mobile phone when you visit a website. They are widely used in order to make websites work or to work more efficiently. The cookies help our Website to recognize your device and remember information about your visit (e.g., your preferred language, font size and other preferences).

We do not use cookies to track you individually or to identify you, but to allow us to operate the Website as you have requested and facilitate your navigation on our Website and use of its features, so as to provide you with a seamless experience.

Most browsers allow you to manage your cookies preferences by changing your browser settings. You can use another online service enabling you to manage the advertisement cookies placed on your devices: <http://www.youronlinechoices.com/>.
